Atlantic Dunes by Davis Love III - NGCOA's National Course of the Year Award winner

HARBOUR TOWN GOLF LINKS

Reserve a round on the world-famous Harbour Town Golf Links, home to the PGA TOUR's RBC Heritage Presented by Boeing. This award-winning course is both the crowning achievement of famed designer Pete Dye and design consultant Jack Nicklaus, and a perennial favorite among PGA TOUR players, as it places a premium on finesse, imagination and shot making, rather than strength.

Featuring a collection of par threes ranked among the world's finest and a par-4 18th hole considered one of the most feared in all of golf, Harbour Town Golf Links has undergone many recent enhancements, including new Celebration Bermuda grass for the fairways, new TifEagle Bermuda grass for the greens and a new irrigation system.

Total yardage of 7,099 from the Heritage tees with a slope of 148 and a par of 71. Caddie services provided to help improve your game.

HERON POINT BY PETE DYE

Designed by legendary course architect Pete Dye, Heron Point is nothing short of a modern masterpiece. Golfers will discover all the challenge they desire with its well-defined holes, plenty of movement in the fairways, and Dye's ubiquitous mounding and swales framing target areas. Heron Point completed several course enhancements to further increase overall playability and enjoyment for a broad spectrum of golfers. The layout's putting surfaces were replaced with TifEagle Bermuda, the same strand used at Harbour Town Golf Links. Additionally, green complexes and surrounds were softened to provide better lies and a wider variety of short-game options.

Total yardage of 7,035 from the Dye tees with a slope of 140 and a par of 72.

ATLANTIC DUNES BY DAVIS LOVE III

Winner of the National Golf Course Owners Association's (NGCOA) 2018 National Course of the Year Award, the all-new Atlantic Dunes by Davis Love III is a complete reconstruction of the resort's historic Ocean Course, the first course built on Hilton Head Island. Love Golf Design, which includes Davis and his brother, Mark, as well as lead architect Scot Sherman, has fashioned entirely rebuilt holes to accommodate modern shot values and frame scenic corridors. Atlantic Dunes features a pronounced seaside ambience and Lowcountry feel accented by coquina shell dunes and seaside grasses. The playing surface is a blend of cutting-edge grasses matching the superior strains at the resort's acclaimed Harbour Town Golf Links and Heron Point by Pete Dye.

Total yardage of 7,065 from the Love tees with a slope of 143 and a par of 72.

REDUCED GOLF RATES FOR GUESTS

A SPECIAL NOTE REGARDING BIKING AND LEISURE TRAILS

Vehicles in South Carolina have the right of way over pedestrians and bikers planning to cross the road, unless the pedestrian or biker is already within the crosswalk. For your safety and the safety of motorists, please do not expect or encourage vehicles to stop if you are planning to cross the road, as this can cause rear-end collisions. Proceed with caution before entering the roadways.

IMPORTANT PHONE NUMBERS:

EMERGENCY: 911

SEA PINES SECURITY: (843) 671-7170

We can all do our part to keep Sea Pines beautiful by following these rules and regulations:

1. Please keep beach towels and beach items, such as coolers, toys, boogie boards, etc., out of sight of adjoining properties, golf courses and roadways. Likewise, bikes should be kept off of lawns or driveways, if possible.
2. Please extinguish any external lights when they are not needed. This is especially important for oceanside properties, where external lights can disrupt the nesting of loggerhead sea turtles. Take special care to keep lights off of the beach from May through October.
3. Trash cans and recycling bins should be kept in service yards and should not be rolled to the street.
4. Parking is not permitted on primary streets, yards or on any road or beach lot overnight. When parking, please take care not to impede emergency vehicles, driveways or access to leisure trails.
5. To keep noise to a minimum, motorcycles and motorized scooters are not permitted within Sea Pines.
6. Please keep all pets on a leash, except when permitted on the beach. For more details regarding when pets are allowed on the beach, visit hiltonheadislandsc.gov. Please clean up after your pets and dispose of waste properly.
7. Please do not feed any wildlife. When alligators are fed, they often have to be put down by wildlife management due to the danger they can pose.
8. Please be courteous and observe neighborliness regarding noise levels of people and pets. Excessive noise and fireworks are likely to be reported to Sea Pines Security.
9. Guest passes must be displayed prominently in your vehicle while in Sea Pines.
10. Texting and the use of hand-held phones while driving is not allowed in Sea Pines.
